Activities in the books

These activities are designed to encourage students to engage with the story, to interpret, and to give their own reader responses.

The book summary on the first page is intended *only* for the teacher. The worksheets can be done by students working alone or in groups.

The Tests

These enable the teacher to check whether students have read and understood the story.

- *Comprehension Tests (one-page)*–100 marks
true/false, gap-fill, matching, ordering
- *Multiple-choice Tests (two-page)*–100 marks
Choosing an answer from four alternatives.

Bookworms Audio Recordings

Audio CDs are a growing part of the Library.

- All Stage 1 titles have audio
- Over 140 titles in the Library have audio
- Available as stand-alone CDs
- Also available as CD Packs (book + CD)

The full text is read by professional actors at carefully controlled speeds which enable students to follow the recordings with ease.

More titles are being added all the time, so please check the latest Oxford Bookworms Library catalogue for an up-to-date list.

The Website

www.oup.com/elt/bookworms

As shown in the chart above, all Bookworms Library resources are available as PDF files on the website and can be downloaded FREE.

To access these resources, you need to register with the Oxford Teachers' Club. This is because sensitive information used in students' assessment is included, so it is best for teachers to register and have password protection.

Also on the website are links to:

- The **Oxford Bookworms catalogue**. This gives the front cover and back-cover text for every Bookworm, which can be used in pre-reading activities, and to help students choose which titles they want to read.
- **Sample pages and audio clips** for each Bookworms language level.
- **Bookworms Club Reading Circles**. The photocopiable role sheets, and all the information needed to set up reading circles.
- **Articles for teachers** on using graded readers and the resource materials.

For each new Bookworm published after 2008, please go to the website to find the teacher resources for that title:
